

## TV Film Studio

**Goal: to create a TV Production - a Music Variety Show**

**Positions required:** Actors, Director, Cast members (Audience), Camera person, Stage manager, Script writers and Special Effects Team

- a. **Choose a name** for the TV show and create a banner.
- b. **Assign roles** - Director, Camera person, Stage manager, Script writers, Special Effects team (lighting, sound effects, creating 'events' (commercials) between performances), general Cast members (Audience) and Actors.  
(Note: All participants must act/perform. Teacher will take over your roll when you perform.)
  - i. **Director** - checks that Actor and Camera person is ready and yells "Action" to start the camera rolling or 'Cut' when the camera should be stopped.
  - ii. **Camera Person** - runs the video camera and follows the direction of the Stage Manager and Director. Edits video by reversing and taping over 'discarded' performances. Don't forget to 'pan' the audience members!
  - iii. **Stage Manager** - Keeps track of the 'takes' and announces the Name of the Performer (actor), the Piece, controls the clapboard - Take 1, Take 2 etc. Decides on edits needed.
  - iv. **Script Writers** - Acts as MC's and prepares comments for opening and closing the TV show, breaking for commercials, News Flash! etc.
  - v. **Cast members (Audience)** - applauds on queue, decides on standing ovations etc.
  - vi. **Actors (Piano Performers)** - act/perform, create the mood, tell the story. Several 'takes' can be done if required (up to three). All participants must act/perform. Teacher will take over your roll when you perform.
- c. **Start taping and performing**
- d. **World Premier!**

Transfer video to the television. Everyone becomes audience members and watches the TV show with popcorn and drinks!  
Audience members choose the best Acting Award!
