

Piano Olympics!

Get ready for your biggest musical challenge yet! This year, our Masterclass theme is Piano Olympics! Everyone will test their speed and technical skills for a chance to win great prizes and the honour of taking home a Gold, Silver or Bronze medal.

Each student will be placed in either Level 1 or Level 2. You must enter a minimum of 4 events. There is no maximum. Each event is described below. Choose the ones you want to enter. For the 'Skating pairs event' you should choose a partner ahead of time and practice together before the big day.

Skiing Events

Level 1

Level 2

Pairs

Two people play a one octave
scale at the same time

Two people play a 5 note
scale at the same time

Olympic Events Rules

- Judging for all classes - marks will be awarded according to the following priority.

1. Accuracy of notes and fingering
2. Form: Evenness of playing with good tone (mf) and good hand position
3. Speed

Each event will be scored out of 10 points. The participant's final score will be an average of the judges marks.

- The judges will be advanced students who are helping out for the day.
- Each event will have a first (Gold), second (Silver) and third (Bronze) place winner.
- All events will be timed. Ties for each place will be allowed.
- Each win will earn points towards the "Overall Grand Piano Olympic Champion". For this award there will be an Overall Gold Medal Champion, an Overall Silver Medal Champion and an Overall Bronze Medal Champion.
- Contestants who do not place in any event will receive a Special Participant Prize.

So practice your scales and triads and get ready to Play!

Let the Games Begin!
