

We are Canadians

We are Canadians,
We are proud, we are strong,
Let our voices ring out loud
In Unison and Song,

Let us sing O Canada
And hold our heads up high,
And let our hearts feel joy and pride
In our belov-ed land.

We are Canadians
We are strong, we are free
Let us all unite as one
And join our family,

We are a mighty nation
That spreads from sea to sea,
We are a varied people
That share equality

So let us gather one and all
And never stand alone
We'll sing for joy O Canada
And celebrate our home.

We are Canadians,
We are strong, we are free,
Let us all, Ev-ry one,
Give our thanks,

(music only - give our thanks)

Celebrate,

(music only - celebrate)

You and me in harmony,
We are family.
